TUTORIAL

ToxPlanet Documents

Print, Email, Save Results

ToxPlanet's vast collection of documents are typically available in either PDF or HTML format. In this tutorial, we will look at how to **Print, **Email**, and **Save** documents in either format.**

When a PDF document is opened, it displays in a new window with native Adobe controls.

- To **Print** the results, click the Print icon.
- To **Save** the results, click the Save icon.
- To **Email** the results, attach a copy of the saved file to an email and send.

HSDB® - Hazardous Substances Data Bank
